LEX-24B1080

ST9612/ST9620 Photo Conductor Kit

Source Technologies is committed to providing the highest quality products and services to our customers. Our effort to continually enhance the operational efficiency of our solutions for our customers requires that we evaluate and advance our products when it is beneficial.

We recognize the impact a product EOL can have on our customers. Therefore, due to age of technology, we are providing you with notification of EOL for the LEX-24B1080 Photo Conductor Kit, effective 7/10/2024. As an alternative solution you may purchase the STI-204513S 4K One Piece MICR toner while supplies last.

Please contact us at 1.800.922.8501 or via sales@sourcetek.com discuss your organization's secure MICR printing needs.
